**COMMUNITY NEEDS ASSESSMENT FOR HOUSING ASSISTANCE
CITIZEN SURVEY FORM**

The Texas Department of Housing and Community Affairs HOME Investment Partnerships (HOME) Program is a federal program that provides funds for: 1) homeowners to rehabilitate and/or reconstruct their homes, OR 2) homebuyers for down payment and closing costs. Your community may want to compete for funds and is asking you to participate by responding to this survey. The survey is designed to determine the needs of individuals potentially interested in participating in the program. If your community receives HOME federal funds, you may be asked to submit an application. **You must qualify and be program eligible to participate.**

Filling out this survey does not qualify you for the program and does not indicate that you will receive assistance. You are under no obligation to participate and understand that funds are not being obligated at this time
