### ARTICLE I

**THAT** Section 3, General Requirement: Dedication Of Land And Payment Of Park Development Fee, Subsections 3d, 3e, 4b and 5b, Chapter 20, Article II of the Code of Ordinances of the City of Terrell, Texas is hereby amended as follows:

The developer shall financially guarantee the constructions of the amenities and improvements, and the City of Terrell must approve same, prior to the filing of a plat in the case of platted subdivisions. Once the amenities and improvements are constructed, and after the City of Terrell has accepted such amenities and improvements, the developer shall dedicate by plat such amenities and improvements to the City of Terrell.

3e. In instances where land is required to be dedicated, the City of Terrell shall have the right to accept or reject the dedication after consideration of the recommendation of the Parks Board and to require a cash payment in lieu of land in the amount provided under Section 4 hereto, if the City of Terrell determines that sufficient park land is already in the public domain for the zone of the proposed development or if the recreation potential for that area would be better served by expanding or improving existing neighborhood parks.

If the City does purchase park land in a park service zone, subsequent park land dedications for that zone shall be in cash only, the calculation of which is set forth in Section 4a above. Such cash payment is in addition to the payment of the required park development fee.

Any monies paid into the said Fund must be expended by the City of Terrell within ten (10) years from the date received by the City. Such funds shall be considered to be spent on a first in, first out basis in a particular park service zone. If not so expended within the ten (10) year period, the owners of lots within the subdivision will, on the last day of such period, be entitled to a refund of the remaining fees.
