SECTION 3: Terms of Payment-Paying Agent/Registrar. The principal of, premium, if any, and the interest on the Certificates, due and payable by reason of maturity or redemption or otherwise, shall be payable only to the registered owners or holders of the Certificates (hereinafter called the “Holders”) appearing on the registration and transfer books maintained by the Paying Agent/Registrar and the payment thereof shall be in any coin or currency of the United States of America, which at the time of payment is legal tender for the payment of public and private debts, and shall be without exchange or collection charges to the Holders.

The selection and appointment of Wachovia Bank, National Association, Houston, Texas to serve as Paying Agent/Registrar for the Certificates is hereby approved and confirmed. Books and records relating to the registration, payment, exchange and transfer of the Certificates (the “Security Register”) shall at all times be kept and maintained on behalf of the City by the Paying Agent/Registrar, all as provided herein, in accordance with the terms and provisions of a “Paying Agent/Registrar Agreement”, substantially in the form attached hereto as **Exhibit A** and such reasonable rules and regulations as the Paying Agent/Registrar and the City may prescribe. The Mayor and City Secretary of the City are hereby authorized to execute and deliver such Agreement in connection with the delivery of the Certificates. The City covenants to maintain and provide a Paying Agent/Registrar at all times until the Certificates are paid and discharged, and any successor Paying Agent/Registrar shall be a bank, trust

company, financial institution or other entity qualified and authorized to serve in such capacity and perform the duties and services of Paying Agent/Registrar. Upon any change in the Paying Agent/Registrar for the Certificates, the City agrees to promptly cause a written notice thereof to be sent to each Holder by United States Mail, first class postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

Principal of and premium, if any, on the Certificates shall be payable at the Stated Maturities or the redemption thereof only upon presentation and surrender of the Certificates to the Paying Agent/Registrar at its designated offices in Charlotte, North Carolina (the "Designated Payment/Transfer Office"). Interest on the Certificates shall be paid by the Paying Agent/Registrar to the Holders whose name appears in the Security Register at the close of business on the Record Date (the last business day of the month next preceding each interest payment date) and payment of such interest shall be (i) by check sent United States Mail, first class postage prepaid, to the address of the Holder recorded in the Security Register or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the Holder. If the date for the payment of the principal of or interest on the Certificates shall be a Saturday, Sunday, a legal holiday, or a day when banking institutions in the City where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day when banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

In the event of a nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/ Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business next preceding the date of mailing of such notice.

SECTION 4: Redemption. (a) Optional Redemption. The Certificates having Stated Maturities on and after February 15, 2014 shall be subject to redemption prior to maturity, at the option of the City, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity by lot by the Paying Agent/Registrar), on February 15, 2013, or on any date thereafter at the redemption price of par plus accrued interest to the date of redemption.

At least forty-five (45) days prior to a redemption date for the Certificates (unless a shorter notification period shall be satisfactory to the Paying Agent/Registrar), the City shall notify the Paying Agent/Registrar of the decision to redeem Certificates, the principal amount of each Stated Maturity to be redeemed, and the date of redemption therefor. The decision of the City to exercise the right to redeem Certificates shall be entered in the minutes of the governing body of the City.

(b) Mandatory Redemption. The Certificates having Stated Maturities of February 15, 20____ and February 15, 20____ (the "Term Certificates") shall be subject to mandatory redemption in part prior to maturity at the redemption price of par and accrued interest to the date of redemption on the respective dates and in principal amounts as follows:

Term Certificates due February 15, 20
Redemption Date Principal Amount

February 15, 20 \$,000

Term Certificates due February 15, 20
Redemption Date Principal Amount

February 15, 20 \$,000

Approximately forty-five (45) days prior to each mandatory redemption date specified above, the Paying Agent/Registrar shall select by lot the numbers of the Term Certificates within the applicable Stated Maturity to be redeemed on the next following February 15 from moneys set aside for that purpose in the Certificate Fund (as hereinafter defined). Any Term Certificate not selected for prior redemption shall be paid on the date of their Stated Maturity.

The principal amount of Term Certificates for a Stated Maturity required to be redeemed on a mandatory redemption date may be reduced, at the option of the City, by the principal amount of Term Certificates of like Stated Maturity which, at least 50 days prior to a mandatory redemption date, (1) shall have been acquired by the City at a price not exceeding the principal amount of such Term Certificates plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation or (2) shall have been redeemed pursuant to the optional redemption provisions set forth in paragraph(a) of this Section and not theretofore credited against a mandatory redemption requirement.

(c) Selection of Certificates for Redemption. If less than all Outstanding Certificates of the same Stated Maturity are to be redeemed on a redemption date, the Paying Agent/Registrar shall treat such Certificates as representing the number of Certificates Outstanding which is obtained by dividing the principal amount of such Certificates by \$5,000 and shall select the Certificates to be redeemed within such Stated Maturity by lot.

(d) Notice of Redemption. Not less than thirty (30) days prior to a redemption date for the Certificates, a notice of redemption shall be sent by United States Mail, first class postage prepaid, in the name of the City and at the City's expense, to each Holder of a Certificate to be redeemed in whole or in part at the address of the Holder appearing on the Security Register at the close of business on the business day next preceding the date of mailing such notice, and any notice of redemption so mailed shall be conclusively presumed to have been duly given irrespective of whether received by the Holder.

All notices of redemption shall (i) specify the date of redemption for the Certificates, (ii) identify the Certificates to be redeemed and, in the case of a portion of the principal amount to be redeemed, the principal amount thereof to be redeemed, (iii) state the redemption price, (iv) state that the Certificates, or the portion of the principal amount thereof to be redeemed, shall become due and payable on the redemption date specified and the interest thereon, or on the portion of the principal amount thereof to be redeemed, shall cease to accrue from and after the redemption date, provided moneys sufficient for the payment of such Certificate (or the principal amount thereof to be redeemed) at the then applicable redemption price are held for the purpose of such payment by the Paying Agent/Registrar and (v) specify that payment of the redemption price for the Certificates, or the principal amount thereof to be redeemed, shall be made at the Designated Payment/Transfer Office of the Paying Agent/Registrar only upon presentation and surrender of the Certificates. If a Certificate is subject by its terms to prior redemption and has been called for redemption and notice of redemption has been duly given as hereinabove provided, such Certificate (or the principal amount thereof to be redeemed) shall become due and payable and interest thereon shall cease to accrue from and after the redemption date therefor.

SECTION 5: Registration - Transfer - Exchange of Certificates-Predecessor Certificates. The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of each and every owner of the Certificates issued under and pursuant to the provisions of this Ordinance, or if appropriate, the nominee thereof. Any Certificate may be transferred or exchanged for Certificates of other authorized denominations by the Holder, in person or by his duly authorized agent, upon surrender of such Certificate to the Paying Agent/Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/Registrar.

Upon surrender of any Certificate (other than the Initial Certificate(s) authorized in Section 8 hereof) for transfer at the Designated Payment/Transfer Office of the Paying Agent/Registrar, the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Certificates of authorized denominations and having the same Stated Maturity and of a like aggregate principal amount as the Certificate or Certificates surrendered for transfer.

At the option of the Holder, Certificates (other than the Initial Certificate(s) authorized in Section 8 hereof) may be exchanged for other Certificates of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Certificates surrendered for exchange, upon surrender of the Certificates to be exchanged at the Designated Payment/Transfer Office of the Paying Agent/Registrar. Whenever any Certificates are surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Certificates to the Holder requesting the exchange.

All Certificates issued in any transfer or exchange of Certificates shall be delivered to the Holders at the Designated Payment/Transfer Office of the Paying Agent/Registrar or sent by United States Mail, first class, postage prepaid to the Holders, and, upon the registration and delivery thereof, the same shall be the valid obligations of the City, evidencing the same obligation to pay, and entitled to the same benefits under this Ordinance, as the Certificates surrendered in such transfer or exchange.

All transfers or exchanges of Certificates pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Certificates canceled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be "Predecessor Certificates," evidencing all or a portion, as the case may be, of the same obligation to pay evidenced by the new Certificate or Certificates registered and delivered in the exchange or transfer therefor. Additionally, the term "Predecessor Certificates" shall include any mutilated, lost, destroyed, or stolen Certificate for which a replacement Certificate has been issued, registered and delivered in lieu thereof pursuant to the provisions of Section 24 hereof and such new replacement Certificate shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Certificate.

Neither the City nor the Paying Agent/ Registrar shall be required to issue or transfer to an assignee of a Holder any Certificate called for redemption, in whole or in part, within 45 days of the date fixed for the redemption of such Certificate; provided, however, such limitation on

transferability shall not be applicable to an exchange by the Holder of the unredeemed balance of a Certificate called for redemption in part.

SECTION 6: Book-Entry Only Transfers and Transactions. Notwithstanding the provisions contained in Sections 3, 4 and 5 hereof relating to the payment, and transfer/exchange of the Certificates, the City hereby approves and authorizes the use of "Book-Entry Only" securities clearance, settlement and transfer system provided by The Depository Trust Company (DTC), a limited purpose trust company organized under the laws of the State of New York, in accordance with the operational arrangements referenced in the Blanket Letter of Representations, by and between the City and DTC (the "Depository Agreement").

Pursuant to the Depository Agreement and the rules of DTC, the Certificates shall be deposited with DTC who shall hold said Certificates for its participants (the "DTC Participants"). While the Certificates are held by DTC under the Depository Agreement, the Holder of the Certificates on the Security Register for all purposes, including payment and notices, shall be Cede & Co., as nominee of DTC, notwithstanding the ownership of each actual purchaser or owner of each Certificate (the "Beneficial Owners") being recorded in the records of DTC and DTC Participants.

In the event DTC determines to discontinue serving as securities depository for the Certificates or otherwise ceases to provide book-entry clearance and settlement of securities transactions in general or the City determines that DTC is incapable of properly discharging its duties as securities depository for the Certificates, the City covenants and agrees with the Holders of the Certificates to cause Certificates to be printed in definitive form and provide for the printed certificates to be issued and delivered to DTC Participants and Beneficial Owners, as the case may be. Thereafter, the Certificates in printed form shall be assigned, transferred and exchanged on the Security Register maintained by the Paying Agent/Registrar and payment of such Certificates shall be made in accordance with the provisions of Sections 3, 4 and 5 hereof.

SECTION 7: Execution - Registration. The Certificates shall be executed on behalf of the City by the Mayor under its seal reproduced or impressed thereon and countersigned by the City Secretary. The signature of said officers on the Certificates may be manual or facsimile. Certificates bearing the manual or facsimile signatures of individuals who are or were the proper officers of the City on the Certificate Date shall be deemed to be duly executed on behalf of the City, notwithstanding that one or more of the individuals executing the same shall cease to be such officer at the time of delivery of the Certificates to the initial purchaser(s) and with respect to Certificates delivered in subsequent exchanges and transfers, all as authorized and provided in V.T.C.A., Government Code, Chapter 1201.

No Certificate shall be entitled to any right or benefit under this Ordinance, or be valid or obligatory for any purpose, unless there appears on such Certificate either a certificate of registration substantially in the form provided in Section 9C, manually executed by the Comptroller of Public Accounts of the State of Texas, or his duly authorized agent, or a certificate of registration substantially in the form provided in Section 9D, manually executed by an authorized officer, employee or representative of the Paying Agent/Registrar, and either such certificate duly signed upon any Certificate shall be conclusive evidence, and the only evidence, that such Certificate has been duly certified, registered and delivered.

SECTION 8: Initial Certificate(s). The Certificates herein authorized shall be initially issued either (i) as a single fully registered certificate in the total principal amount of \$1,500,000 with principal installments to become due and payable as provided in Section 2 hereof and numbered T-1, or (ii) as multiple fully registered certificates with one certificate for each year of maturity in the applicable principal amount and denomination and to be numbered consecutively from T-1 and upward (hereinafter called the "Initial Certificate(s)") and, in either case, the Initial Certificate(s) shall be registered in the name of the initial purchaser(s) or the designee thereof. The Initial Certificate(s) shall be the Certificates submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the initial purchaser(s). Any time after the delivery of the Initial Certificate(s), the Paying Agent/Registrar, pursuant to written instructions from the initial purchaser(s), or the designee thereof, shall cancel the Initial Certificate(s) delivered hereunder and exchange therefor definitive Certificates of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses identified therefor; all pursuant to and in accordance with such written instructions from the initial purchaser(s), or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

SECTION 9: Forms. A. Forms Generally. The Certificates, the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Registration Certificate of Paying Agent/Registrar, and the form of Assignment to be printed on each of the Certificates, shall be substantially in the forms set forth in this Section with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Ordinance and may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including insurance legends in the event the Certificates, or any maturities thereof, are purchased with insurance and any reproduction of an opinion of counsel) thereon as may, consistently herewith, be established by the City or determined by the officers executing such Certificates as evidenced by their execution. Any portion of the text of any Certificates may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the certificate.

The definitive Certificates and the Initial Certificate(s) shall be printed, lithographed, or engraved, typewritten, photocopied or otherwise reproduced in any other similar manner, all as determined by the officers executing such Certificates as evidenced by their execution.

The City of Terrell (hereinafter referred to as the "City"), a body corporate and municipal corporation in the County of Kaufman, State of Texas, for value received, acknowledges itself indebted to and hereby promises to pay to the Registered Owner named above, or the registered assigns thereof, the Principal Amount stated above, on the Stated Maturity date specified above (or so much thereof as shall not have been paid upon prior redemption), and to pay interest (computed on the basis of a 360-day year of twelve 30-day months) on the unpaid Principal Amount hereof from the Certificate Date at the per annum rate of interest specified above; such interest being payable on February 15 and August 15 of each year, commencing February 15, 2004. Principal of this Certificate is payable at its Stated Maturity or redemption to the registered owner hereof, upon presentation and surrender, at the Designated Payment/Transfer Office of the Paying Agent/Registrar executing the registration certificate appearing hereon, or its successor; provided, however, while this Certificate is registered to Cede & Co., the payment of principal upon a partial redemption of the principal amount hereof may be accomplished without presentation and surrender of this Certificate. Interest is payable to the registered owner of this Certificate (or one or more Predecessor Certificates, as defined in the Ordinance hereinafter referenced) whose name appears on the "Security Register" maintained by the Paying Agent/Registrar at the close of business on the "Record Date", which is the last business day of the month next preceding each interest payment date and interest shall be paid by the Paying Agent/Registrar by check sent United States Mail, first class postage prepaid, to the address of the registered owner recorded in the Security Register on the Record Date or by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the registered owner. All payments of principal of, premium, if any, and interest on this Certificate shall be without exchange or collection charges to the owner hereof and in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

This Certificate is one of the series specified in its title issued in the aggregate principal amount of \$1,500,000 (herein referred to as the "Certificates") for the purposes of paying contractual obligations to be incurred for (i) airport improvements, including runway extensions and expansions and hangar improvements, and (ii) professional services rendered in relation to such projects and the financing thereof, under and in strict conformity with the Constitution and laws of the State of Texas, particularly V.T.C.A., Local Government Code, Subchapter C of Chapter 271, and pursuant to an Ordinance adopted by the governing body of the City (herein referred to as the "Ordinance").

The Certificates maturing on dates hereinafter identified (the "Term Certificates") are subject to mandatory redemption prior to maturity with funds on deposit in the Certificate Fund established and maintained for the payment thereof in the Ordinance, and shall be redeemed in

part prior to maturity at the price of par and accrued interest thereon to the mandatory redemption date on the respective dates and in principal amounts as follows:

<u>Term Certificates due February 15, 20</u>		<u>Term Certificates due February 15, 20</u>	
<u>Redemption Date</u>	<u>Principal Amount</u>	<u>Redemption Date</u>	<u>Principal Amount</u>
February 15, 20	\$,000	February 15, 20	\$,000

The particular Term Certificates of a stated maturity to be redeemed on each redemption date shall be chosen by lot by the Paying Agent/Registrar; provided, however, that the principal amount of Term Certificates for a stated maturity required to be redeemed on a mandatory redemption date may be reduced, at the option of the City, by the principal amount of Term Certificates of like stated maturity which, at least 50 days prior to a mandatory redemption date, (1) shall have been acquired by the City at a price not exceeding the principal amount of such Term Certificates plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation or (2) shall have been redeemed pursuant to the optional redemption provisions appearing below and not theretofore credited against a mandatory redemption requirement.

The Certificates maturing on and after February 15, 2014, may be redeemed prior to their Stated Maturities, at the option of the City, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity by lot by the Paying Agent/Registrar), on February 15, 2013, or on any date thereafter, at the redemption price of par, together with accrued interest to the date of redemption.

At least thirty days prior to a redemption date, the City shall cause a written notice of such redemption to be sent by United States Mail, first class postage prepaid, to the registered owners of each Certificate to be redeemed at the address shown on the Security Register and subject to the terms and provisions relating thereto contained in the Ordinance. If a Certificate (or any portion of its principal sum) shall have been duly called for redemption and notice of such redemption duly given, then upon the redemption date such Certificate (or the portion of its principal sum to be redeemed) shall become due and payable, and, if moneys for the payment of the redemption price and the interest accrued on the principal amount to be redeemed to the date of redemption are held for the purpose of such payment by the Paying Agent/Registrar, interest shall cease to accrue and be payable from and after the redemption date on the principal amount redeemed.

In the event a portion of the principal amount of a Certificate is to be redeemed and the registered owner is someone other than Cede & Co., payment of the redemption price of such principal amount shall be made to the registered owner only upon presentation and surrender of such Certificate to the Designated Payment/Transfer Office of the Paying Agent/Registrar, and a new Certificate or Certificates of like maturity and interest rate in any authorized denominations provided by the Ordinance for the then unredeemed balance of the principal sum thereof will be issued to the registered owner, without charge. If a Certificate is selected for redemption, in whole or in part, the City and the Paying Agent/Registrar shall not be required to transfer such Certificate to an assignee of the registered owner within 45 days of the redemption date therefor; provided, however, such limitation on transferability shall not be applicable to an exchange by the registered owner of the unredeemed balance of a Certificate redeemed in part.

The Certificates are payable from the proceeds of an ad valorem tax levied, within the limitations prescribed by law, upon all taxable property in the City and are additionally payable

from and secured by a lien on and pledge of the Net Revenues (as defined in the Ordinance) of the City's Airport (the "Airport"), such lien and pledge, however, being junior and subordinate to the lien on and pledge of the Net Revenues of the Airport securing the payment of "Prior Lien Obligations" (as defined in the Ordinance) hereafter issued by the City. In the Ordinance, the City reserves and retains the right to issue Prior Lien Obligations while the Certificates are outstanding without limitation as to principal amount but subject to any terms, conditions or restrictions as may be applicable thereto under law or otherwise.

Reference is hereby made to the Ordinance, a copy of which is on file in the Designated Payment/Transfer Office of the Paying Agent/Registrar, and to all the provisions of which the Holder hereof by the acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the tax levied for the payment of the Certificates; the properties constituting the Airport; the Net Revenues pledged to the payment of the principal of and interest on the Certificates; the nature and extent and manner of enforcement of the pledge; the terms and conditions relating to the transfer of this Certificate; the conditions upon which the Ordinance may be amended or supplemented with or without the consent of the Holders of the Certificates; the rights, duties, and obligations of the City and the Paying Agent/Registrar; the terms and provisions upon which the tax levy and the liens, pledges, charges and covenants made therein may be discharged at or prior to the maturity of this Certificate, and this Certificate deemed to be no longer Outstanding thereunder; and for the other terms and provisions contained therein. Capitalized terms used herein have the meanings assigned in the Ordinance.

This Certificate, subject to certain limitations contained in the Ordinance, may be transferred on the Security Register only upon its presentation and surrender at the Designated Payment/Transfer Office of the Paying Agent/Registrar, with the Assignment hereon duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly executed by, the registered owner hereof, or his duly authorized agent. When a transfer on the Security Register occurs, one or more fully registered Certificates of authorized denominations and of the same aggregate principal amount will be issued by the Paying Agent/Registrar to the designated transferee or transferees.

The City and the Paying Agent/Registrar, and any agent of either, may treat the registered owner hereof whose name appears on the Security Register (i) on the Record Date as the owner entitled to payment of interest hereon, (ii) on the date of surrender of this Certificate as the owner entitled to payment of principal hereof at its Stated Maturity or its redemption, in whole or in part, and (iii) on any other date as the owner for all other purposes, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary. In the event of nonpayment of interest on a scheduled payment date and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is hereby certified, recited, represented and covenanted that the City is a body corporate and political subdivision duly organized and legally existing under and by virtue of the Constitution and laws of the State of Texas; that the issuance of the Certificates is duly

authorized by law; that all acts, conditions and things required to exist and be done precedent to and in the issuance of the Certificates to render the same lawful and valid obligations of the City have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas, and the Ordinance; that the Certificates do not exceed any constitutional or statutory limitation; and that due provision has been made for the payment of the principal of and interest on the Certificates by the levy of a tax and a pledge of the Net Revenues of the Airport as aforesated. In case any provision in this Certificate or any application thereof shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions and applications shall not in any way be affected or impaired thereby. The terms and provisions of this Certificate and the Ordinance shall be construed in accordance with and shall be governed by the laws of the State of Texas.

IN WITNESS WHEREOF, the City Council of the City has caused this Certificate to be duly executed under the official seal of the City as of the Certificate Date.

Proper officers of the City are hereby authorized and directed to cause to be transferred to the Paying Agent for the Certificates, from funds on deposit in the Certificate Fund, amounts sufficient to fully pay and discharge promptly each installment of interest and principal of the Certificates as the same accrues or matures or comes due by reason of redemption prior to maturity; such transfers of funds to be made in such manner as will cause immediately available funds to be deposited with the Paying Agent for the Certificates at the close of business on the last business day next preceding each interest and/or principal payment date for the Certificates.

Pending the transfer of funds to the Paying Agent/Registrar, money in the Certificate Fund may, at the option of the City, be invested in obligations identified in, and in accordance with the provisions of the "Public Funds Investment Act" (V.T.C.A., Government Code, Chapter 2256) relating to the investment of "bond proceeds" or other applicable laws governing the investment of interest and sinking funds; provided that all such investments shall be made in

The taxes so levied and collected shall be deposited into the Certificate Fund. This governing body hereby declares its purpose and intent to provide and levy a tax legally and fully sufficient to pay the said Debt Service Requirements, it having been determined that the existing and available taxing authority of the City for such purpose is adequate to permit a legally sufficient tax in consideration of all other outstanding indebtedness.

The amount of taxes to be provided annually for the payment of the principal of and interest on the Certificates herein authorized to be issued shall be determined and accomplished in the following manner:

(a) Prior to the date the City Council establishes the annual tax rate and passes an ordinance levying ad valorem taxes each year, the City Council shall determine:

(1) The amount on deposit in the Certificate Fund after (a) deducting therefrom the total amount of Debt Service Requirements to become due on Certificates prior to the Collection Date for the ad valorem taxes to be levied and (b) adding thereto the amount of Net Revenues of the Airport appropriated and allocated to pay such Debt Service Requirements prior to the Collection Date for the ad valorem taxes to be levied.

(2) The amount of Net Revenues if any, appropriated and to be set aside for the payment of the Debt Service Requirements on the Certificates between the Collection Date for the taxes then to be levied and the Collection Date for the taxes to be levied during the next succeeding calendar year.

(3) The amount of Debt Service Requirements to become due and payable on the Certificates between the Collection Date for the taxes then to be levied and the Collection Date for the taxes to be levied during the next succeeding calendar year.

SECTION 13: Pledge of Revenues. SECTION 14: Airport Fund. The City hereby covenants and agrees all Gross Revenues shall be deposited as collected and received into a "City of Terrell, Texas, Airport Fund" (hereinafter called "Airport Fund") which Fund shall be kept and maintained at an official depository bank of the City. All moneys deposited in the Airport Fund shall be pledged and appropriated to the extent required for the following purposes and in the order of priority shown, to wit:

First: To the payment of all necessary and reasonable Operating and Maintenance Expenses of the Airport as defined herein to be a charge on and claim against the Gross Revenues;

Second: To the payment of the amounts required to be deposited in the special Funds created and established for the payment, security and benefit of Prior Lien Obligations in accordance with the terms and provisions of the ordinances authorizing the issuance of Prior Lien Obligations;

Third: To the payment of the amounts required to be deposited in the special funds and accounts created and established for the payment of the Certificates and Additional Obligations.

Any Net Revenues remaining in the Airport Fund after satisfying the foregoing payments, or making adequate and sufficient provision for the payment thereof, may be appropriated and used for any other City purpose now or hereafter permitted by law.

SECTION 15: Deposits to Certificate Fund. The City hereby covenants and agrees to cause to be deposited to the credit of the Certificate Fund prior to each principal and interest payment date for the Certificates from the pledged Net Revenues of the Airport in the Airport Fund, after the deduction of all payments required to be made to the special Funds or accounts created for the payment and security of the Prior Lien Obligations, an amount equal to one hundred per centum (100%) of the amount required to fully pay the interest and principal payments then due and payable on the Certificates. Such deposits to pay accrued interest and maturing principal on the Certificates from the Net Revenues of the Airport shall be made in substantially equal monthly installments on or before the 15th day of each month; provided, however, should the annual tax levy pursuant to Section 12 hereof be sufficient to pay in full the principal and interest on the Certificates, no such monthly deposits to the Certificate Fund from the Net Revenues of the Airport shall be required.

Furthermore, accrued interest received by the City from the purchasers of the Certificates and any proceeds of sale of the Certificates in excess of the amount required to pay the contractual obligations to be incurred (including change orders to a construction contract)

shall be deposited in the Certificate Fund and such amounts deposited to the Certificate Fund shall reduce the sums otherwise required to be deposited in said Fund from ad valorem taxes and the Net Revenues of the Airport.

SECTION 16: Security of Funds. All moneys on deposit in the Funds for which this Ordinance makes provision (except any portion thereof as may be at any time properly invested) shall be secured in the manner and to the fullest extent required by the laws of Texas for the security of public funds, and moneys on deposit in such Funds shall be used only for the purposes permitted by this Ordinance.

SECTION 17: Special Covenants. The City hereby further covenants as follows:

(a) It has the lawful power to pledge the Net Revenues of the Airport supporting this issue of Certificates and has lawfully exercised said powers under the Constitution and laws of the State of Texas, including said power existing under V.T.C.A., Local Government Code, Subchapter C of Chapter 271 and V.T.C.A., Government Code, Chapter 1503.001, et seq.

(b) Other than for the payment of the Certificates, the Net Revenues of the Airport have not in any manner been pledged to the payment of any debt or obligation of the City or of the Airport.

SECTION 18: Issuance of Prior Lien Obligations and Additional Obligations. The City hereby expressly reserves the right to hereafter issue Prior Lien Obligations, without limitation as to principal amount but subject to any terms, conditions or restrictions applicable thereto under law or otherwise, and, also reserves the right to issue Additional Obligations on a parity with the Certificates insofar as the lien on and pledge of the Net Revenues of the Airport is concerned.

SECTION 19: Application of Prior Lien Obligations Covenants and Agreements. It is the intention of this governing body and accordingly hereby recognized and stipulated that the provisions, agreements and covenants contained herein bearing upon the management and operations of the Airport and the administering and application of revenues derived from the operation thereof, shall to the extent possible be harmonized with like provisions, agreements and covenants contained in ordinances authorizing the issuance of Prior Lien Obligations, and to the extent of any irreconcilable conflict between the provisions contained herein and in ordinances authorizing the issuance of Prior Lien Obligations, the provisions, agreements and covenants contained therein shall prevail to the extent of such conflict and be applicable to this Ordinance but in all respects subject to the priority of rights and benefits, if any, conferred thereby to the holders or owners of the Prior Lien Obligations. Notwithstanding the above, any change or modification affecting the application of revenues derived from the operation of the Airport shall not impair the obligation of contract with respect to the pledge of revenues herein made for the payment and security of the Certificates.

SECTION 20: Satisfaction of Obligations of City. If the City shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of, premium, if any, and interest on the Certificates, at the times and in the manner stipulated in this Ordinance, then the pledge of taxes levied and the lien on and pledge of the Net Revenues of the Airport under this Ordinance and all covenants, agreements, and other obligations of the City to the Holders shall thereupon cease, terminate, and be discharged and satisfied.

Certificates shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when (i) money sufficient to pay in full such Certificates or the principal amount(s) thereof at maturity together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent, or (ii) Government Securities shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Securities have been certified by an independent accounting firm to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any moneys deposited therewith, if any, to pay when due the principal of and interest on such Certificates, or the principal amount(s) thereof, on and prior to the Stated Maturity thereof. The City covenants that no deposit of moneys or Government Securities will be made under this Section and no use made of any such deposit which would cause the Certificates to be treated as "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, or regulations adopted pursuant thereto.

Any moneys so deposited with the Paying Agent/ Registrar and all income from Government Securities held in trust by the Paying Agent/Registrar, or an authorized escrow agent, pursuant to this Section which is not required for the payment of the Certificates, or any principal amount(s) thereof, or interest thereon with respect to which such moneys have been so deposited shall be remitted to the City or deposited as directed by the City. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Certificates and remaining unclaimed for a period of three (3) years after the maturity of the Certificates for which such moneys were deposited and are held in trust to pay, shall upon the request of the City be remitted to the City against a written receipt therefor. Notwithstanding the above and foregoing, any remittance of funds from the Paying Agent/Registrar to the City shall be subject to any applicable unclaimed property laws of the State of Texas.

SECTION 21: Ordinance a Contract - Amendments. This Ordinance shall constitute a contract with the Holders from time to time, be binding on the City, and shall not be amended or repealed by the City so long as any Certificate remains Outstanding except as permitted in this Section. The City, may, without the consent of or notice to any Holders of the Certificates, from time to time and at any time, amend this Ordinance in any manner not detrimental to the interests of the Holders of the Certificates, including the curing of any ambiguity, inconsistency, or formal defect or omission herein. In addition, the City may, with the written consent of Holders of the Certificates holding a majority in aggregate principal amount of the Certificates then Outstanding affected thereby, amend, add to, or rescind any of the provisions of this Ordinance; provided that, without the consent of all Holders of Outstanding Certificates, no such amendment, addition, or rescission shall (1) extend the time or times of payment of the principal of, premium, if any, and interest on the Certificates, reduce the principal amount thereof, the redemption price, or the rate of interest thereon, or in any other way modify the terms of payment of the principal of, premium, if any, or interest on the Certificates, (2) give any preference to any Certificate over any other Certificate, or (3) reduce the aggregate principal amount of Certificates required to be held by Holders for consent to any such amendment, addition, or rescission.

SECTION 22: Notices to Holders - Waivers. Wherever this Ordinance provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and sent by United States Mail, first class postage prepaid, to the address of each Holder appearing in the Security Register at the close of business on the business day next preceding the mailing of such notice.

In any case where notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Certificates. Where this Ordinance provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 23: Cancellation. Certificates surrendered for payment, redemption, transfer, or exchange, if surrendered to the Paying Agent/Registrar, shall be promptly canceled by it and, if surrendered to the City, shall be delivered to the Paying Agent/Registrar and, if not already canceled, shall be promptly canceled by the Paying Agent/Registrar. The City may at any time deliver to the Paying Agent/Registrar for cancellation any Certificates previously certified or registered and delivered which the City may have acquired in any manner whatsoever, and all Certificates so delivered shall be promptly canceled by the Paying Agent/Registrar. All canceled Certificates held by the Paying Agent/Registrar shall be returned to the City.

SECTION 24: Mutilated, Destroyed, Lost and Stolen Certificates. In case any Certificate shall be mutilated, or destroyed, lost or stolen, the Paying Agent/Registrar may execute and deliver a replacement Certificate of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Certificate, or in lieu of and in substitution for such destroyed, lost or stolen Certificate, only upon the approval of the City and after (i) the filing by the Holder thereof with the Paying Agent/Registrar of evidence satisfactory to the Paying Agent/Registrar of the destruction, loss or theft of such Certificate, and of the authenticity of the ownership thereof and (ii) the furnishing to the Paying Agent/Registrar of indemnification in an amount satisfactory to hold the City and the Paying Agent/Registrar harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Certificate shall be borne by the Holder of the Certificate mutilated, or destroyed, lost or stolen.

Every replacement Certificate issued pursuant to this Section shall be a valid and binding obligation, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Certificates; notwithstanding the enforceability of payment by anyone of the destroyed, lost or stolen Certificates.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost, or stolen Certificates.

SECTION 25: Covenants to Maintain Tax-Exempt Status. (a) Definitions. When used in this Section, the following terms have the following meanings:

"Closing Date" means the date on which the Certificates are first authenticated and delivered to the initial purchasers against payment therefor.

"Code" means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

"Computation Date" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Gross Proceeds" means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Certificates.

"Investment" has the meaning set forth in Section 1.148-1(b) of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Certificate to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Certificate, the City shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Certificates:

(1) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Certificates, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(2) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Certificates or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds,

other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan. Except to the extent permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Certificates to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Certificates directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested), if as a result of such investment the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Certificates.

(f) Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Certificates to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate. Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

(1) the City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last Outstanding Certificate is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Certificates with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(2) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Certificates until six years after the final Computation Date.

(3) As additional consideration for the purchase of the Certificates by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall pay to the United States out of the Interest and Sinking Fund or its general fund, as permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the amount that when added to the future value of previous rebate payments made for the Certificates equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(4) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Certificates, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Certificates not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the Mayor, Mayor Pro Tem, City Manager, Assistant City Manager and City Secretary, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Certificates, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

SECTION 26: Sale of the Certificates. Pursuant to a public sale for the Certificates, the bid submitted by _____ (herein referred to as the "Purchasers") is declared to be the best bid received producing the lowest true interest cost rate to the City, and the sale of the Certificates to said Purchasers at the price of par and accrued interest to the date of delivery, plus a premium of \$ _____, is hereby approved and confirmed. Delivery of the Certificates to the Purchasers shall occur as soon as possible upon payment being made therefor in accordance with the terms of sale.

SECTION 27: Proceeds of Sale. The proceeds of sale of the Certificates, excluding the accrued interest and premium, if any, received from the Purchasers, shall be deposited in a construction fund maintained at the City's depository bank. Pending expenditure for authorized

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Certificates, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

The provisions of this Section may be amended by the City from time to time to adapt to changed circumstances resulting from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Certificates in the primary offering of the Certificates in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the Outstanding Certificates consent to such amendment or (b) a person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Holders and beneficial owners of the Certificates. The provisions of this Section may also be amended from time to time or repealed by the City if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that such provisions are invalid, but only if and to the extent that reservation of the City's right to do so would not prevent underwriters of the initial public offering of the Certificates from lawfully purchasing or selling Certificates in such offering. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (b) an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.
