Waste Hauler must have a current City of Terrell 2015 Permit Sticker on the rear of truck or tanker.

It is the responsibility of the Food Establishment to make sure that the hauler is permitted.

It is the responsibility of the Food Establishment to make sure that the hauler is scheduled for servicing the Grease Traps within the 90 day time frame.

If the hauler is not able to fulfill the 90 day time frame, you have the option to choose another permitted company.
