Burglary of Vehicle

On Wednesday September 21, 2016 at 4:32 p.m., Officers responded to 506 West Interstate 20, Buc-ee's, regarding a burglary of a vehicle.

The victim reported that they had parked at a fuel pump and after filling with fuel they entered the store leaving a purse in front passenger side of their truck. A suspect can be seen on video parked at the pump next to the victim's vehicle, exit what appears to be a new white Chrysler 200 and walk over to the victim's truck from the passenger side while one victim was pumping gas on the driver's side.

The suspect carefully opens the passenger front door just a crack while the victim is watching the pump. The suspect leaves the door barely cracked open and walks back to his vehicle. The suspects then drive off and watch for the victim to walk away from their vehicle and enter the store. While the victims are in the store the suspect walks up to the vehicle and opens the passenger front door which was not secure and takes the purse.

The suspect that took the purse was described as a young black male, in his 20's, approximately 6'2" tall, with a thin build. Surveillance video captures a partial temporary tag but the first and last characters are mostly unreadable. The tag appears to be *3M057* with the "*" indicating the unidentified characters.

Attached are still shots of the suspect and video clip of the offense.
