

**A Message From the Chief of Police:**

This month's UCRs show no growth in index crimes, with violent crimes down 36% over last month. Property crimes rose slightly by four offenses with an increase of only 6%. Overall, this has been a good month. Crime trends are slowly moving downward since the beginning of the fiscal year.

The men and women of the Terrell Police Department have been working hard to impact these numbers. We appreciate all the support from the community and the efforts many of you have taken to partner with us to make Terrell a safer place to live and work.

*Equity, Fairness, Legitimacy and Justice for ALL citizens in the City of Terrell.*
